GENERAL SPECIFICATIONS

SHELLS — One-piece, color-impregnated polypropylene molded plastic with a built-in carry handle. Integral lumbar supports protect the lower back, and slightly-curved sides hug the body for complete back support.

FRAME — Chrome-plated, 1" round, 16-gauge steel. Cantilevered chair is 12-gauge steel.

BOOTS — Color-impregnated polypropylene plastic. Value chairs do not include boots.

GLIDES — Four legged chairs; self-adjusting, nickel-plated casting with nylon self-leveling inserts. Cantilever chairs; color coordinated injection molded sled base glide housing to accommodate a choice of four glide inserts; nylon, felt, steel or rubber based (TPR). The glide housing and glide inserts have been engineered for easy replacement of worn out inserts. The inserts are designed to mold to flooring and are tamper proof.

X-PLUS — 30% more poly to form a larger shell with added weight capacity.

BOOKBASKET — Optional wire book basket, 1 3/4" steel rod.

MODEL 658 — 5-star plastic swivel base on five casters with pneumatic lift.

MODEL 658D — 5-star plastic swivel base on five casters with pneumatic lift, plus 9" and 12" extenders & foot ring.

Casters can be replaced with stationary bell glides.
